### **Experience It! Denali National Park**

Boasting more than 6 million acres, this incredible National Park has a fascinating ecosystem and doubles as a wildlife reserve. But, this park's biggest claim to fame could be Denali itself – North America's highest peak towering at more than 20,000 feet. Though the park has some marked trails for exploring, the park remains largely trail-less to encourage wilderness exploration. As you explore the park, keep your eyes peeled for a variety of animals, with the most popular residents being moose, caribou, wolf, brown and grizzly bear. Majestic beauty and natural wonders are on full display in this incredible park.

**IDENTIFICATION**

Travel within USA

For travel completed by May 6, 2025, all airlines will ask for identification when you check in. It is recommended that you carry a passport if you have one. A driver's license (with a photo I.D.) is also acceptable for domestic flights.

Effective for travel May 7, 2025 forward, the REAL ID Act standards for identification while travelling will be in effect. This means a standard issued driver's license used as a form of identification will no longer be accepted for domestic air travel within the United States. Instead, a Real ID compliant form of identification must be presented both at the time of booking air travel with Collette and upon checking in at the airport to board any flight. Any fees associated with changing a reservation resulting from a non-compliant identification will be the responsibility of the guest. For more information on Real ID, please visit the Department of Homeland Security website: <https://www.dhs.gov/real-id>

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Single accommodations are limited and are available on a first come, first served basis.

\*The Tundra Wilderness Tour is a fully narrated, 5-hour tour. During the early season on departure dates before May 20th, this tour will be replaced with the 4-hour Denali Natural History tour. The lunch on Days 5 and 8 will be a boxed lunch and snacks so you can enjoy it on your Tundra Wilderness Tour and Glacier Cruise. You may bring along some extra snacks as there is no food available to purchase once inside the park.

**The overall activity level of this tour is a level 2.** This means you like a balanced approach to travel. Walking two to three miles over the course of a day is no problem for you. You can partake in a two-hour leisurely walking tour, covering up to two miles (with included breaks). You can handle a variety of terrains, from cobblestone streets to moderate hills with relative ease and without assistance. You can climb two flights of stairs with ease. There may be 1 to 2 days on this tour when walking tours can cover 3 to 4 miles over uneven terrain. Expect some full days balanced with free time to recharge or set out on your own adventure. You can handle altitudes up to 6,000 feet. While this level is appropriate for travelers that require mobility assistance devices, there could be times when you may have to sit out on some of the included activities.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
