PLEASE NOTE:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into and out of various modes of transportation (tuk-tuk, cable car, Zodiac, etc.), and could possibly anticipate changes in elevation. All shore landings excursions to/from the ship are by small boats called "Zodiacs," which requires a level of fitness to board and disembark these inflatable crafts. You can expect some longer days balanced with free-time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with a maximum of 210 passengers while cruising on the *Ventus Australis*. While you will be joined by other travelers on the ship, your dedicated Tour Manager will be with your group for the entire journey.

Travel with an average of 19 people (maximum of 24).

Passengers should consult their physician should they have any concerns regarding their physical condition. In some cases, the terrain can be a little strenuous. At all times you are accompanied by expedition staff. It is recommended that you bring hiking boots for specific excursions.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

*In September and April - when the penguins dwell elsewhere - this excursion is replaced by a short walk to a glacier at nearby stunning Brookes Bay.

**Hikes of varying difficulty will be offered during each of the landings. Details of the length, terrain and difficulty will be provided by the ship's crew.

***Cape Horn landing is strongly dependent on weather and sea conditions.

All shore landings are dependent on weather and sea conditions, and at the discretion of the cruise line. Due to unpredictable sailing conditions or National Park directives, all of the timing and landing details featured in the cruise portion of your itinerary are subject to change. Wildlife sightings are not guaranteed.

While aboard the *Ventus Australis*, you may occasionally encounter temporary disruptions in cruising conditions. This may occur on any departure due to quickly changing weather in the region and itinerary routing. If present, this is typically encountered the second evening when exposed to open waters on the Pacific and the third evening as we encounter southern currents. This would be most likely to occur during sleep (between 12:00 a.m. and 6:00 a.m.) and can last from 1 to 3 hours at times. You may expect to feel pronounced vertical or horizontal rocking. Your ship's crew will give a thorough briefing once aboard on what to expect during your journey as well as some pointers on navigating these areas if you are prone to motion sickness. If anticipated, the ship's crew may recommend placing electronics on the floor of the cabin to avoid slipping off surfaces. Please consult with a physician on the use of anti-nausea medications for your journey if you plan to carry them with you.

Cruise ships have a limited quantity of cabins available in each category. Every effort will be made to accommodate your cabin choice at time of booking. If the preferred cabin category is not available at time of booking, the next closest category will be offered and a surcharge may apply. Cabin category choices are: Cabin A (second deck), Cabin AA (third deck), Cabin AAA (fourth deck), or Cabin AAA Superior (fourth deck with larger room). Cabin availability is first come, first served and upgrade pricing will apply.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple rooms are not available.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your

own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Due to flight schedules, a pre/post night may be required in some gateway cities (at an additional cost). Please inquire at time of reservation.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Please note that for the internal flights on this tour, luggage restrictions are limited to one checked bag with a maximum weight of 15kg/33 lbs and be 62in/158cm in combined length, height and width. If your luggage exceeds this baggage allowance, additional fees of approximately \$20 US Dollars (paid by the traveler at the time of check-in) for bags weighing up to 50 pounds; luggage that exceeds 50 pounds are not allowed on domestic inter flights. One carry-on bag is allowed, sized a maximum 17 x 12 x 10 inches (43 x 30 x 25 cm). You will want to use this bag to hold your personal items during sightseeing trips.
