Experience It! Keukenhof

Keukenhof – which means “kitchen garden” in Dutch and also called the “Garden of Europe” – is the world's largest flower garden. It is situated on former royal hunting grounds from the 15th century and covers an area of 80 acres. The current park was envisioned by the local mayor and opened in 1949 as a place for gardeners to show off an array of hybrid flowers. Each year, approximately 7 million flower bulbs are planted and grown, creating a landscape of bright colors and vibrant hues. Keukenhof is located in South Holland in the small town of Lisse, south of Haarlem and southwest of Amsterdam. Famous for its meandering lanes, canals, sculpted garden rows and seemingly endless supply of floral colors, the park draws more than 30 million visitors each year. The best time to view the tulips is from the end of March through early May, depending upon the weather.

PLEASE NOTE:

The overall activity level of this tour is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some full days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.

Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in the historic areas of Amsterdam, Bruges, Reims, and Paris. Because of these restrictions, some of your touring in Amsterdam and Paris will take place via public transportation (tramways, city buses, subway) which require the ability to stand in moving vehicles using handrails and handles for support as seating cannot be guaranteed. For your comfort, we recommend bringing comfortable walking shoes. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our Client Care Agents can provide additional information or assistance to help you determine the perfect trip for you.

Travel with an average of 19 people (maximum of 24).

***The champagne cellars are only accessible via several flights of steep steps. The cellars are located underground and there are 120 steps down and 120 to exit the cellars. There is no elevator on the premises.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Days of features are interchangeable.

**The Keukenhof is a seasonal garden, and it opens only in spring. The gardens are immensely popular, and you can expect some crowds during your visit.

****Paradis Latin may be considered unsuitable for children - consult your Tour Manager.

*The Manor Amsterdam is situated in the east of Amsterdam. The city center is easy to reach within 7 minutes by using public transportation.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple accommodations are not available due to hotel restrictions.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.
