**PLEASE NOTE:**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

**Travel with an average of 16 people (maximum of 24).**

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The days and order of sightseeing may change to best utilize your time on tour.

Museum visits and shopping may be affected by the observance of religious or local holidays.

\*Saigon's Notre Dame Cathedral will be viewed from the exterior.

\*\*If you would prefer not to hike to the Kuang Si Waterfall, a vehicle is available to bring you to the falls. This hike would take about 3-4 hours and includes walking down from the top of the waterfall. April and May will be very hot, which makes this hike strenuous.

Triple and child accommodations are not available.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

Smaller buses, which may not be lavatory equipped, may be used on this program. In this case, frequent stops are made during travel periods.
