Island Princess  
June 12 – 24, 2026

## Highlights

*Fairbanks, Denali, Denali National Park, Talkeetna,  
Hubbard Glacier, Glacier Bay National Park,  
Skagway, Juneau & Ketchikan*

## ***See the best of the 49th state on an Alaska Cruise Tour!***

*Alaska Cruise tours are the ultimate Alaska experience – a vacation combining an unforgettable 7-day Voyage of the Glaciers cruise with 5 nights exploring Alaska by land. Your Alaska Cruise tour includes the state's top two attractions – pristine Glacier Bay National Park and picturesque Denali National Park, home to North America's tallest peak.*

### ***Friday, June 12th: Depart your hometown for Fairbanks***

Arrive in Fairbanks and get settled in your hotel for an overnight stay. Enjoy your evening at leisure.

### ***Saturday, June 13th: Fairbanks - Denali***

A cruise along the Chena River on a Sternwheeler Riverboat is about as authentic as it gets. Later, you'll head for Denali National Park via a scenic motor coach trip to the Denali Princess Wilderness Lodge. Enjoy the spectacular main lodge, river view deck, and Princess Village with the popular Christmas cottage and sugar shack. Be sure to check out Fannie Q's Saloon, named after a famed local.

### ***Sunday, June 14th: Denali Princess Wilderness Lodge***

Start your morning with a quick stop at Fannie Q's saloon for a hearty buffet breakfast. Explore Denali National Park on a Natural History Tour, watching for glimpses of Denali as well as Denali's "Big Five"; bears, moose, caribou, wolves and Dall sheep. Later today, you may want to simply relax with a glass of wine on the deck overlooking the Nenana River. Visit the Grizzly Burger or grab a slice at Lynx Creek Pizza.

### ***Monday, June 15th: Mt. McKinley Princess Wilderness Lodge - Talkeetna***

This morning you'll travel by motorcoach to Denali State Park for two nights at the Mt. McKinley Princess Wilderness Lodge. Take in the sensational views of Denali and the Alaska Range with a glass of wine in the Great Room or on the expansive deck. Hear stories about climbing Denali in the Hudson Theater or roast a marshmallow at the fireside patio.

### ***Tuesday, June 16th: Mt McKinley Princess Wilderness Lodge—Talkeetna***

You have a full day to plan however you choose. Stop by the Tour Desk to book a variety of optional excursions. Walk the nature trails around the lodge or sit and gaze at the majesty of "The Great One" from the lodge's treehouse, designed and built by Pete Nelson of Animal Planet's Treehouse Masters.

### ***Wednesday, June 17th: Whittier***

After a morning enjoying the vistas, you'll transfer to the historic town of Talkeetna to board the exclusive Direct-to-the-Wilderness Rail service for the journey to Whittier and your waiting ship. Our ship sets sail at 8:30 pm.

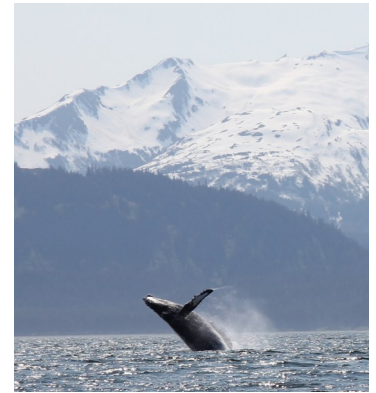

### ***Thursday, June 18th: Hubbard Glacier (scenic cruising)***

Our ship passes the mammoth Hubbard Glacier, Alaska's only advancing glacier. Your day is filled with amazing natural sights as you linger along its shimmering five-mile long face.

### ***Friday, June 19th: Glacier Bay National Park (scenic cruising)***

Glacier Bay National Park and its epic ice giants are part of a UNESCO World Heritage Site comprising Alaska's magnificent park system. During your scenic cruise, friendly Park Rangers will join the ship to share their knowledge of this amazing place. They may even be able to help you identify Glacier Bay's abundant wildlife, including humpback whales, sea otters, porpoises, harbor seals, black bears, mountain goats, bald eagles and large colonies of seabirds. Take in the awe-inspiring scenery as you enjoy an unforgettable day of sailing through this dazzling park, where you'll glide along emerald waters and past calving icebergs, and can breathe in the crisp, fresh air to your heart's content.

### ***Saturday, June 20th: Skagway***

Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Skagway may have boasted the shortest route to the Klondike, but it wasn't the easiest. Over 100 years ago, the White Pass route through the Coast Mountains and the shorter but steeper Chilkoot Trail were used by countless stampedes. Many a would-be miner perished on the treacherous Chilkoot Trail. The gold rush was a boon and by 1898, Skagway was Alaska's largest town with a population of about 20,000. Hotels, saloons, dance halls and gambling houses prospered. But when the gold yield dwindled in 1900, so did the population as miners quickly shifted to new finds in Nome. Today, Skagway has less than 1,000 residents. It still retains the flavor of the gold rush era. *(Tours are additional)*. Ship is in port from 7:00 am until 8:30 pm.

### ***Sunday, June 21st: Juneau***

In 1880, it was slow going for Joe Juneau and Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams and facing countless difficulties, they found nuggets "as large as beans." From their discovery came three of the largest gold mines in the world. By the end of World War II, more than \$150 million in gold had been mined. Today Juneau is famous not only for gold and government but also for its breathtakingly beautiful glaciers and stunning views of both water and mountains. *(Tours are additional)* Ship is in port from 6:30 am until 4:00 pm.

### ***Monday, June 22nd: Ketchikan***

Ketchikan is known as Alaska's "First City" because it's the first major community travelers come to as they journey north. Located on an island, Ketchikan began life as an Indian fishing camp. In the early 1900s, when gold was Alaska's claim to fame, fishing and timber industries were established in Ketchikan. The growth of these industries helped make this Inside Passage port Alaska's fourth-largest city. Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center. *(Tours are additional)* Ship is in port from 10:00 am until 6:00 pm.

### ***Tuesday, June 23rd: Inside Passage (scenic cruising)***

Cruising through the Inside Passage is really what has made Alaska cruising so popular. This trip captures so much of what people love about Alaska. There are glaciers the size of Rhode Island. Misty rain forests and ghostly blue fjords and spirited communities that celebrate their varied heritage. Be sure to take in every view as you sail through one of the most beautiful parts of Alaska.

### ***Wednesday, June 24th: Vancouver, British Columbia - Home***

Today we arrive in Vancouver, British Columbia. We will disembark the ship in the morning and transfer to the airport.
