Fairbanks, AK ~ Fairbanks, Alaska's second-largest city, offers a mix of modern attractions and rich history. Known as the Golden Heart, it's a gateway to the arctic, boasting lively festivals, river cruises, and the chance to see the awe-inspiring Northern Lights. Explore restored gold rush buildings, savor local cuisine, and immerse yourself in the vibrant culture on an Alaska cruise to Fairbanks.

Dawson City, Yukon ~ Once the pulsing heart of the Klondike Gold Rush, Dawson City today is a cluster of wooden sidewalks and charming frontier-era shops on the banks of the Yukon River. There are plenty of reasons to take cruise tours to Dawson City, Yukon. Though gold rush lore is the main draw, it has a rich history well before the discovery of gold and subsequent stampede in 1896. The Tr'ondëk Hwëch'in or "people of the river" have frequented the area for thousands of years and there's much heritage to learn and appreciate. The town was also a muse for literary legends, Robert Service and Jack London.

Denali National Park, Alaska ~ Your cruise tour continues as you board a short flight to Fairbanks, Alaska's Golden Heart City. Then head out to Denali National Park for a three-night stay at this magnificent national treasure.

Whittier, Alaska ~ Enjoy some of Alaska's most spectacular scenery via luxurious domed rail cars direct to your ship for embarkation. The Whittier, Alaska cruise port is a unique stop on a Holland America Line cruise tour. Home to stunning wildlife and a high concentration of glaciers, it offers outdoor activities like fishing, hiking, and kayaking. With its small-town charm and practical layout, where most town services are under one roof, Whittier promises a memorable experience.

Cruising Hubbard Glacier ~ An Alaska cruise toward Hubbard Glacier feels like you're approaching another planet in a tiny space craft. It is that big and that otherworldly. Among all the vanishing Alaska glaciers, Hubbard has a rapidly advancing ice margin— up to seven feet in one day—earning it the nickname, “the Galloping Glacier.” This glacier dwarfs the other glaciers in Alaska. It is the longest tidewater glacier in North America and starts 122 kilometers (76 miles) back, pouring down off the shoulder of Mt. Walsh. It has an impressive terminal face that is 11 kilometers (7 miles) long and 106 meters (350 feet) above the water line, making its regular audience of Alaska cruise ships look like toy boats.

Glacier Bay ~ On your cruise to Glacier Bay, close your eyes and take in the sounds—the creaks and groans of “living” ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale. Frosted peaks towering over mossy forests, wide tidewater glaciers (there are seven in the park), and marine wildlife are given on Glacier Bay cruises, but every experience in this changing biosphere is unique. Cruise the ice-studded fjords of this national treasure for a full eight hours as a Park Service Ranger narrates.

Skagway, Alaska ~ At the height of the Klondike Gold Rush, the port town of Skagway served as the primary gateway to the legendary gold fields and quickly grew into Alaska's largest settlement. It was then a raucous frontier hub packed with trading posts, saloons and guesthouses. As the gold rush faded into the 1900s, so did Skagway—but today it has been reinvigorated as a gateway for a new kind of visitor: those looking to explore Alaska's colorful history, pristine wildlife and unrivaled natural beauty.

Juneau, Alaska ~ Juneau is known for its outdoor recreation, fresh seafood and fine dining. The city itself is pleasant, but the real highlight of a visit to Juneau is tracking down some wildlife. You can hike up Mount Roberts to chance upon wild deer and bald eagles. Most sightseeing and whale-watching tours head north to Auke Bay—bring a good pair of binoculars to get the best view of these majestic and surprisingly graceful creatures. If you prefer land mammals, catch a floatplane to a nearby wildlife reserve such as Chichagof or Admiralty Island to spy on some bears lolling around on Alaska cruise excursion.

Ketchikan, Alaska ~ Take an adventure and cruise to Ketchikan, Alaska. Alaska's "First City" of Ketchikan is so named because it's the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain. Explore this uniquely Alaskan port, famous for its rich native culture, salmon fishing, and scenic Misty Fjords.

Inside Passage Scenic Cruising ~ Alaska's Inside Passage is a renowned cruising route through a protected network of waterways, featuring glacier-cut fjords, lush rainforests, and diverse wildlife. Stops along the route showcase Alaska's rich history, including Native Alaskan culture in Ketchikan and Skagway's Gold Rush era legacy. Here's how to experience the best of the

Inside Passage. Relax and enjoy a full day of scenic Inside Passage cruising and immerse yourself in Holland America Line elegance.
